

Easter Egg

I ate a whole Easter egg
And I'm happy
Isn't that a wonderful thing?
I didn't see how many calories it was
Just smiled and thought,
'How nice it is to be.'
To have all this love,
To be pulled
And welcomed
In so many
Directions
And have the pleasure of
Thinking of a friend,
Or a lover,
And feel yourself smile
And to eat a whole Easter egg.
