

Chippy Chips

Kelsey ordered me chippy chips -
What a wonderful world!
My heart sails like a brilliant ship,
All for my brilliant girl.
I cannot wait for my scallop,
In a butty, as fine as could be.
My heartbeat runs, it gallops -
How lucky I am, to be me!
To be with someone so lovely,
With such a big, big heart.
No curry sauce or peas ala mushy,
But this meal will be a work of art,
Just like her, but not as much -
She is the world, she is the sun -
The best girl, the best lunch.
Large chips, battered potato, all in a bun,
I never knew life could be this fun!
